PRETENSE AND PRETEND

Living the Ersatz Life in Suburbia

FILM AND LECTURE CONFERENCE

August 20-21, 2008

PORTFOLIO CENTER

125 Bennett Street, Atlanta, Georgia 30309

The Event:

The Portfolio Center hosts a film and lecture series that examines the ersatz life that is suburban America. The series will address the issues of vast consumption of goods and services, the lemming mentality endemic to the

suburban lifestyle, the taxing energy inefficiencies that the suburban social construct requires, and the impact of suburbia on the environment.

Please join Michael Moore, Alex Steffan and others in this important event.

\$20 Admission (each day)

All profits will benefit the World Changing Solutions, a foundation dedicated to charting new directions for a sustainable future.
