

Calculus I, M408C
Spring, 2001

Instructor: Professor Michael Starbird (phone: 471-5156; email: starbird@math.utexas.edu; office: RLM 11.122)
Office hours: MF 10:00-11:00; W 8:00-9:00.

Teaching Assistants: James Rath (phone: 475-9171 or 232-7787; email: organism@ticam.utexas.edu; office: RLM 11.104)
Office hours: MW 3:00-4:00, F 12:00-1:00

Required textbook and required CD ROM package: *Calculus*, Salas and Hille, Eighth edition; and Thinkwell's Calculus I.

Class web page: Check out <http://courses.utexas.edu/> Log in with your UT EID. Follow the link in your list of classes for 408C.

Homework and quizzes: Homework will be assigned daily. Part of the daily homework assignment will be to listen to designated mini-lectures on the Thinkwell Calculus CD's and take the on-line quiz that accompanies each lecture. The program automatically records how you did on each quiz and when you did it and sends the results to the instructors. Information on how to use the Thinkwell materials will be sent to you via email. Written homework will be collected weekly on Thursdays. You are encouraged to form a study group and discuss homework questions in the group; however, all written homework must be prepared independently. The ideal model to follow is first to work independently, then to discuss issues with your fellow students, and then to prepare the final write-up. There will be a quiz every week during discussion session and there will be short quizzes during the lecture hours.

Attendance: Attendance is mandatory at both the lecture sections and discussion sections.

Exams: There will be three hour-exams during the semester. Each will be announced at least one week in advance. The final examination will be comprehensive and will take place at the time indicated in the course schedule.

Grade: Homework, quizzes, and attendance-	15%
Hour exams -	20% each
Final -	25%

The University of Texas at Austin provides upon request appropriate academic accommodations for qualified students with disabilities. For more information, contact the Office of the Dean of Students at 471-6259, 471-4641 TTY.
